JENN-AIR® 30" DOUBLE WALL OVENS WITH V2™ VERTICAL DUAL-FAN CONVECTION SYSTEM

SIGNATURE FEATURES

V2™ Vertical Dual-Fan Convection System combines innovative cooking features and technology to help achieve consistently ideal results. A 2,800-watt bake element, 4,000-watt broil element, two convection elements totaling 6,800 watts and two dual-speed fans combine to provide exceptional results.

Jenn-Air® Culinary Center customizes each cooking cycle based on a variety of preferences to create the perfect meal. Providing full-color pictures of foods, doneness levels and pan types, the Culinary Center also offers menu-specific cooking tips for optimal results.

7-inch full color touch-anywhere LCD display makes it easy to get the most out of all the oven's functions. Advanced technology allows the user to touch anywhere on the display, and options are precisely organized on each screen for unrivaled usability.

Soft, auto-close door uses specialized technology to ensure the oven door closes softly, quietly and securely.

SPECIFICATIONS

- 5.0 Cu. Ft. Oven Capacity (Each Oven)
- 10.0 Cu. Ft. Total Capacity
- V2™ Vertical Dual-Fan Convection System
- 2,800-Watt Hidden Bake Element
- 4,000-Watt, 8-Pass Reflective Broil Element
- 6,800-Watt Combined Convection Capacity
