## YOBE241-SG | 24" Undercounter Beverage: Single Zone | Premium

Description	Professional Beverage Center with high durability easy to clean aisi 304 stainless steel interior with reversible soft closing hinges.
Temperature control	Electronically controlled cooling and ventilation for rapidly restoring temperatures in a very short period of time.
5 Cu. Ft. Capacity with 23 wine bottle capacity	Keeps beverages right at hand for entertaining or every day use. It provides the perfect place to store, chill and display up to 23 bottles of wine or any other item you want to keep cold in the lower zone of the beverage center.
Professionally inspired design	Fully interchangeable shelves and wine racks that can be removed and changed with at least 4 different kinds of accessories such as: full extension glass shelf , stainless steel drawer with glass front, full extension wine racks, etc.
<b>Additional features</b>	
Stainless steel cabinet and base grille	Professional look with stainless steel body , stainless steel interior and stainless steel door. The door swing is field reversible, and is shipped right-hand hinged.
UV-protected thermal glass door	Low-e coated, argon gas filled double thermopane glass door prevents harmful UV light penetration protecting wine and other beverages from premature aging. Interchangeable stainless steel handles.
Interior led lighting	Ambra Lights LED lighting can be set to stay on 6 hours which automatically switches to white light when opening the door making it easy to find items inside the unit. One row of led top mounted LED lights gently illuminate when opening the unit, and fade off when closing.
Touch controls	An easy-to-use electronic interface located on upper face of unit with OLED display that allows pleasant and precise control over the refrigerator temperatures and settings.
Wood wine racks	Full extension beechwood racks. Wine racks accommodate burgundy, bordeaux and alsatian bottles.
Glass shelf/shelves with metal trim	Two adjustable glass shelves with 15 height positions.
Built-in or freestanding installation	<ul style="list-style-type: none"> <li>Provides the ultimate versatility and flexibility for placement.
